

## **TUTOR / ACTIVITY LOG**

*Please check all the activities you've done with child(ren) recently:*

- I used a toy car to teach my child direction words and different automobile types.
- I used a picture dictionary to teach the parts of a car or other words.
- I borrowed an educational toy from my CBET teacher.
- My child and I built a toy model (like a car or a plane).
- My child and I built a homemade toy (like a kite).
- I taught colors to a child using crayons.
- I used dolls to teach the parts of the body.
- I helped my child read and understand instructions.
- I let my child pick out some "arts and crafts" supplies at the store.
- I read to my child before bed.
- I planned a NO TV evening. We played with educational toys or made a toy instead.
- I praised a child.
- I attended a special school event with my child.
- I helped a child with his homework.
