

GED Online Contract

The GED Online program has certain requirements to ensure your success in the program. Please read carefully before you sign. I understand that the following are basic requirements for acceptance into the GED online program:

- TABE or CASAS placement test scores of 9th grade equivalency or higher in reading.
- A computer with an Internet connection.
- Proficiency in working with a computer, Internet, and email.
- Self-discipline, desire, and commitment to study independently.

I agree to:

- Attend an initial on-site orientation.
- Return to the local adult education program for an assessment test to determine my progress and readiness to take the GED test.
- Return the CD to the Distance Learning office within 2 weeks.
- Work online a minimum of seven (7) hours per week.
- The virtual seat I occupy is expensive and other students may be waiting on a list to enroll in this program. Therefore, I understand that I must show regular program usage and academic progress to stay in the GED Online program.
- My teacher has the capability to monitor my progress and online use.
- If I am given a warning that I am not meeting my agreed commitment to the GED Online program and do not make the necessary changes, my online access will be deactivated.
- If I find that the GED Online program does not meet my needs, I will ask for an appointment with the GED Online teacher so he/she can assist me in determining another study alternative that will help me meet my goals.
